# CARYA SOCIETY OF CALGARY Financial Statements Year Ended December 31, 2017

### INDEPENDENT AUDITOR'S REPORT

To the Directors of Carya Society of Calgary

We have audited the accompanying financial statements of Carya Society of Calgary, which comprise the statement of financial position as at December 31, 2017, the statement of operations, change in fund balances and cash flow for the year then ended, and a summary of significant accounting policy and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

## **Basis for Qualified Opinion**

In common with many charitable organizations, the Society derives revenue from charitable donations and volunteer services, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Society and we were not able to determine whether any adjustments might have been necessary to contributions, excess (deficiency) of revenues over expenses, current assets and net assets.

Independent Auditor's Report to the Directors of Carya Society of Calgary (continued)

### **Qualified Opinion**

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of Carya Society of Calgary as at December 31, 2017 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### Purpose of Organization

Carya Society of Calgary (the "Society") is a regional organization operating programs to provide Calgary's diverse population with high quality, innovative counselling and caregiving services. The Society is a not-for-profit organization incorporated under the Societies Act of the Province of Alberta and is a registered charity under the Income Tax Act. The programs provided by the Society aim to enhance individual and family relationships, help children reach their full potential, engage older adults in their communities, and assist vulnerable citizens so that they may maintain their dignity and respect. Individuals, families and communities turn to the Society for support and solutions through childhood, adulthood and elderhood. Funding comes from various donors including other not-for-profit organizations, the Federal Government, the Provincial Government, the City of Calgary and other charitable donations.

### 1. Significant Accounting Policies

### Basis of presentation

These financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations.

### Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of excess revenues over expenditures during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates. Areas of estimates include the determination of an allowance for doubtful accounts, provisions for amortization and accrued liabilities.

### Fund accounting

Carya Society of Calgary follows the restricted fund method of accounting for contributions.

The General Operating Fund reports revenues and expenses associated with program delivery and administration activities along with revenues and expenses for programs that do not have a specific fund.

The Program Technology Fund reports on funds that have been restricted for the purpose of non-funded agency programs and for acquiring and upgrading operating systems and related technical support.

The Capital Reserve Fund reports on funds that have been allocated to the program for future expansion.

### Cash and cash equivalents

Cash and cash equivalents include the amounts held in bank deposits and current accounts maintained by the Society. Any amounts included as cash and cash equivalents will have a maturity of 90 days or less from inception.

Restricted cash consists of amounts that are earned from Casinos. These amounts are restricted for the purpose of paying AGLC approved use of proceeds.

### Investments

Investments which consist of guaranteed investment certificates (GICs) with maturities of less than one year are held at cost.

(continues)

### 1. Significant Accounting Policies (continued)

### Revenue recognition

Restricted contributions are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when they are received or become receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

Fees for services rendered are recorded on an accrual basis. Such revenue is recorded in the accounts during the period in which the service is rendered by the Society and the corresponding account receivable is also recorded at that time.

### Deferred revenue

Revenue is deferred in the general operating fund when it relates to externally restricted funds received in the current period that should be recognized in future periods and there is no specific fund that the revenue is required to be reported in.

### Property and equipment

Purchased property and equipment are recorded in the fund that best represents the type of asset purchased and are presented at amortized cost. Contributed property and equipment is recorded in the Capital Reserve Fund at fair value at the date of contribution. Property and equipment are amortized over their estimated useful lives using the following rates and methods:

Leasehold improvements

Software licenses

Term of the lease stra
3 years stra

straight-line method straight-line method

The Society regularly reviews its property and equipment to eliminate obsolete items. Government grants are treated as a reduction of property and equipment cost.

### Donated services

Volunteers contribute a significant amount of their time each year to the Society's activities. Due to the difficulty in determining the fair value of contributed services of this nature, no related amount is recognized in the financial statements.

(continues)

### 1. Significant Accounting Policies (continued)

### Financial instruments policy

Initial and subsequent measurement

The Society initially measures its financial assets and liabilities at fair value.

The Society subsequently measures all its financial assets and liabilities at cost or amortized cost, except for investments in equity instruments that are quoted in an active market, which are valued at fair value. Changes in the fair value of these financial instruments are recognized in the excess of revenues over expenditures in the period incurred.

Financial assets measured at amortized cost include cash, accounts receivable and investments.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

### Transaction costs

Transaction costs related to financial instruments that will be subsequently measured at fair value are recognized in excess of revenues over expenditures in the period incurred. Transaction costs related to financial instruments subsequently measured at amortized cost are included in the original cost of the asset or liability and recognized in the excess of revenues over expenditures over the life of the instrument using the straight-line method.

### Impairment

For financial assets measured at cost or amortized cost, the Society determines whether there are indications of possible impairment. When there is an indication of impairment, and the Society determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows, a write-down is recognized in the excess of revenue over expenditures. A previously recognized impairment loss may be reversed to the extent of the improvement. The carrying amount of the financial asset may not be greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in the excess of revenues over expenditures.

### 2. Financial Instrument Risk

The Society is exposed to various risks through its financial instruments. The following analysis provides information about the Society's risk exposure and concentration as of December 31, 2017.

### Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Society is exposed to credit risk from customers. The Society has a significant number of customers which minimizes the concentration of credit risk. The Society also has a concentration of credit risk related to all cash being held by one financial institution.

### Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Society is exposed to this risk mainly in respect of its receipt of funds from its funders and other related sources, deferred revenue, deferred contributions and accounts payable.

(continues)

### 2. Financial Instrument Risk (continued)

### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The Society is mainly exposed to interest rate risk.

### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Society manages exposure through its normal operating and financing activities. The Society is exposed to interest rate risk primarily through its GIC investments.

### 3. Cash and Cash Equivalents

Cash and cash equivalents contain amounts that have been restricted by AGLC. At December 31, 2017 the Society's cash consisted of:

|  | <br>2017                  | 2016                    |
|--|---------------------------|-------------------------|

|  | \$<br>1,743,383           | \$<br>810,412           |

### 4. Investments

The Society's investment consists of a redeemable GIC that matures on May 19, 2017. The GIC bears interest at 0.9% per annum.

### 5. Accounts Receivable

|  | <br>2017                          | <br>2016                                   |

| Restricted donations   | _  | 75,294                                  | <br>268,460                                  |
|  | \$ | 736,129                                 | \$<br>1,054,472                              |

# 9. Deferred Contributions Related to Property and Equipment

Deferred contributions related to property and equipment represent purchases of property and equipment to outfit the Society's office premises.

|   | <br>2017               | <br>2016               |
|---|------------------------|------------------------|
| Beginning balance<br>Recognized in current period | \$<br>5,491<br>(4,393) | \$<br>9,883<br>(4,392) |
| Balance, end of period                            | \$<br>1,098            | \$<br>5,491            |

### 10. Deferred Contributions Related to Rent

Deferred contributions related to rent are related to funds that have been identified by management as a source of funds to subsidize rent if required.

|  | <br>2017      | <br>2016      |
|--|---------------|---------------|
| Balance, beginning of period<br>Recognized in current period | \$<br>191,283 | \$<br>191,283 |
| Balance, end of period                                       | \$<br>191,283 | \$<br>191,283 |

### 11. Commitments

The Society has the following commitments at December 31, 2017.

The Society entered into an agreement on December 8, 2008 to lease its administrative offices until March 31, 2020. Minimum monthly payments are \$28,740.

Contractual obligation payment schedule:

| 2018 | \$<br>344,887 |
|------|---------------|
| 2019 | 344,887       |
| 2020 | <br>86,222    |
|      | \$<br>775,996 |

# 12. Changes in Non-Cash Operating Working Capital

|   |      | 2017   | 2016   |
|---|------|--|--|
