

# Coping With Stress Through Crafts: Toilet Paper Roll Snowmen

## Materials Needed:

- Toilet paper rolls
- Pipe cleaner
- Small googly eyes
- Small pom poms
- Ribbon
- Glue
- Sharpies or markers to decorate
- Scissors

**Tip:** This craft can be created by just using the toilet paper rolls and markers! You can use the markers to draw on the face, scarf, etc.

## Instructions

**Step 1:** Start by gluing on two googly eyes, about a quarter of the way down the toilet paper tube.

**Step 2:** Cut a length of ribbon (about 8 inches long) and tie it around the toilet paper tube below the eyes to make a scarf.

**Step 3:** Using the Sharpies, draw a carrot nose, a coal mouth, and buttons on the tube.

**Step 4:** Cut a 3-inch piece of pipe cleaner and glue pom poms onto either end of the pipe cleaner to make earmuffs.

**Step 5:** Once the glue is dry, bend the pipe cleaner and place the earmuffs around the top of the toilet paper tube. Glue the two pom poms onto either side of the toilet paper tube to hold the earmuffs in place.

**Step 6:** And you're done! Now you have a cute, recycled toilet paper roll snowman!

**Step 7:** These little guys only take a few minutes to make, so go ahead and make a bunch! You can stand them up on your mantel or hang them on your Christmas tree!
