

Flourish with Carya

Opportunity for Registered Provisional Psychologists (CAP)

Since 1910, Carya has been responding to the evolving social needs of the Calgary community.

Today, Carya impacts the lives of thousands of Calgarians through a range of comprehensive, barrier-free programs and services that enhance mental well-being, strengthen families, improve living conditions, and create meaningful social connections. We walk alongside our community, nurturing the unique strengths, abilities, and talents that individuals, families, and communities already possess to overcome adversity and build strong foundations for their futures.

ABOUT THE INTERNSHIP

Primary Locations: Central Commons, 800-1000 7 Ave SW

Internship Length: 12 – 15 months

Hours Requirement: 37.5 hours per week

As part of Carya's Counselling Services team, a **Registered Provisional Psychologist** receives support and guidance to develop their expertise, with the aim of becoming a skilled mental health service provider. They also contribute to Carya's mission of promoting ethical mental health practices. Short-term counseling is provided in 8-10 sessions for individuals, dyads, triads, and families, as well as through group programs.

WHO YOU ARE

- You are compassionate and curious, motivated to support people across the lifespan with thoughtful, trauma-informed care that builds resilience and confidence.
- You value collaboration and connection, working closely with teams, partners, and communities to support holistic and coordinated care.
- You are reflective and growth-oriented, embracing supervision, feedback, and ongoing learning to continually strengthen your clinical practice.

WHAT YOU WILL DO

Counselling & Participant Support

- Provide client-centered counselling services to individuals of all ages, including children, families, and older adults.
- Conduct needs assessments, develop service goals, and connect participants to appropriate community resources.
- Apply trauma-informed, strengths-based approaches that empower clients and promote resilience.

Collaboration, Program Delivery & Community Engagement

- Work collaboratively with internal teams, supervisors, and partner agencies to support coordinated care and case management activities.
- Facilitate groups, workshops, and webinars that support participant learning and connection.
- Contribute to community referrals, system navigation, and initiatives that strengthen service delivery.

Documentation, Supervision & Professional Practice

- Maintain accurate clinical documentation and meet reporting requirements in accordance with professional and agency standards.
- Participate in regular supervision, team meetings, and consultation to support quality practice and continuous learning.

Flourish with Carya

- Work a 37.5-hour week including two evening shifts (appointments concluding by 8:00 PM) and submit monthly invoices to support timely stipend processing.

WHAT YOU BRING

- **Master's degree in clinical or counselling psychology is required.**
- **Completion of AFWI Brain Story is required.**
- Familiarity with family systems and attachment theory, with a strong interest in advancing skills in working with families or older adults.
- Basic knowledge of Trauma-Informed Therapy.
- Training and experience in treatment modalities such as CBT, attachment-based therapy, family systems therapy, narrative therapy, sand tray therapy, and trauma-focused approaches are assets.
- Strong attention to detail, with the ability to act with discretion and maintain confidentiality.
- A positive attitude and a commitment to delivering high-quality services are essential.
- Exceptional teamwork and collaboration skills.
- Excellent oral and written communication skills; proficiency in additional languages is an asset.
- A posture of cultural humility when working with diverse populations; experience with Indigenous and/or immigrant families is an asset.
- Proficiency in Microsoft 365, including SharePoint, Word, Teams, and Outlook.
- Familiarity with, or proficiency in, case management software such as Jane.
- Strong organizational skills with the ability to manage and prioritize emails and calendars effectively.

WHY JOIN TEAM CARYA

When you join team Carya, you are joining over 100 passionate professionals who exemplify our values of *Respect, Kindness, Creativity, Collaboration, Belonging, Wellness*.

Our strength lies in our people. With diverse backgrounds, our team creates a workplace that values both individuals and excellence while fostering innovation and collaboration. Our team comprises professionals with varied practice interests and specialties, employing a range of counseling modalities such as cognitive-behavioral approaches, solution-focused techniques, and narrative therapy.
