and West Calgary Programs

SPRING 2026 CATALOGUE

How to Use This Guide

This guide is your way to explore all the programs, supports, and services offered at Bowmont Commons and in the surrounding community.

You will find drop-in and registered programs, along with ongoing supports offered year-round at Carya. Each program listing includes who it is for, what it is about, the date and time, and the location. Icons show if registration is needed, if childminding is available, and if the program is held at Bowmont Commons or another community location.

Programs are listed alphabetically and offer many different kinds of experiences. To help you get a quick sense of what is available, we have grouped them into a few key areas:

- Learn & Grow – build knowledge, skills, and confidence.
- Move & Thrive – support your physical health and wellbeing.
- Create & Explore – discover, make, and express yourself.
- Connect & Celebrate – gather, share, and build community.
- Support & Wellness – strengthen your mental health and resilience.

MONTHLY CALENDARS

The monthly calendars at the back of this guide show what is happening each day. Program times are included and listed in the order they start. Some program names are shortened on the calendars. Full names are listed in the program descriptions. If you see the location icon, the program is held outside Bowmont Commons. For more details, check the program listings.

The legend is here to guide you. Each icon helps you understand how the program runs:

● Orange Circle = Registration required
